One-click lookup in almost any Windows program Hundreds of thousands of definitions and synonyms The latest international English words Works offline, or reference to Wikipedia and web references DOWNLOAD NOW WordWeb for Windows No SpyWare. No AdWare. No viruses. More than 10 million downloads! First published in 1884, after it took 70 years to compile, the Oxford Dictionary of English is now updated every four months. As the world's leading source of the English language, you have an abundance of choices when it comes to dictionaries. From Collins to Cambridge, to Merriam-Webster, there are plenty of reputable alternatives to the Oxford Dictionary of English. However, the latter is purely for US English when a word has a different spelling or use in the US. The Oxford Dictionary for WindowsThe Oxford Dictionary is available to download to your PC so you can make sure you always have the most recent and reliable information on the English language at your fingertips. You'll need the paid version to unlock features like audio pronunciations (British and American), sentence examples, and receive regular updates. Also, you can unlock full access to a detailed search engine that lets you find any word, even if you're unsure of the spelling. Updated vocabularyThe Oxford Dictionary of English has been steadily revised since James Murray initially started editing the original version in the 1880s. Now on its third edition, it's been edited and overseen by a variety of esteemed Oxford University academics, making it one of the most reputable sources for words available. It now contains plenty of newer words and slang, alongside obsolete and rare terms. The Oxford Dictionary of English for Windows also features up-to-date encyclopedic information. Although every PC now has a builtin spell-check, and there are free online dictionaries, the Oxford Dictionary is considered by many to be the leading authority on the English language, its use, and evolution, then the Oxford Dictionary of English is an ideal tool. Should you download it? Yes. If you regularly need to ensure you're using the English language correctly, it's invaluable. You can also try Dictionary for Windows Free Download for W WindowsFree Download for WindowsFree Download PC - Download Latest version (1.0.5) of Offline English Dictionary for PC Windows 10,8,7 64/32 bit directly from Win10StoreApp.com for free now.Download Offline English Dictionary App Version: 1.0.5Update: 2019-05-02How To Install Offline English Dictionary on Windows 10To running Offline English Dictionary into your PC Windows, you will need to install and run Offline English Dictionary full version on your PC Windows 7, 8, 10 and Laptop.
