

NOTIFICATION ON CALL FOR ASSESSORS

to be published in the frame of the

INTERREG-IPA CROSS-BORDER COOPERATION PROGRAMME HUNGARY-SERBIA

The Joint Secretariat of the Interreg-IPA Hungary-Serbia Cross-border Cooperation Programme will launch the Call for Assessors to identify and select qualified and experienced professionals for the quality assessment phase of the application selection procedure. The assessors selected within the framework of the Call for Assessors will be involved in the quality assessment of the formally and administratively compliant applications submitted within the Programme.

The basic document of the Programme will guide you through the types of activities planned to be supported within the Programme. The Cooperation Programme document is available on this link: <http://www.interreg-ipa-husrb.com>.

The specific objectives of the Programme are achieved through Priority Axes, which are broken down into Actions. The assessment of applications to be submitted for the different Actions requires different expertise.

As we are working in the framework of an Interreg-IPA CBC Programme, the procurement rules (PraG) set by the European Commission must be respected during the procedure. It requires a tender dossier, which will be sent only to those who express their intention to participate in the tender by closely observing and respecting the following steps:

- Subscribe by sending an email with your contact data such as name and e-mail address (by the specified deadline);
- Only after subscribing you will receive the tender dossier with detailed relevant information, once the Call for Assessors will be launched;
- Apply by filling in relevant documents from the tender dossier and submitting them by the deadline specified in the tender documentation.

The tender is broken down into separate lots. These lots are defined by the type of expertise necessary for the assessment of the applications submitted within a given Action. One expert may apply for more lots.

Our Programme is giving you the opportunity to express your interest in participating in the tender. Please subscribe by sending us an e-mail containing your contact data to the following e-mail address:

jhalasz@interreg-ipa-husrb.com

Subscribing to receive the tender dossier is the only way to apply for this Call for Assessors. However, requesting the tender dossier by subscribing does not bind you to apply. Also, applying for the Call for Assessors does not imply that you will be selected as a quality assessor.

Deadline for subscribing for the tender is 11/08/2016, the end of the day.
